

# MEAGHAN BASS

San Diego, CA | 619.770.7275 | meaghan.bass@gmail.com | meaghanbass.io | meaghanbass

## RECENT WORK & PROJECTS

---

### **Quantum Developer Theme for VSCode** | <https://github.com/meaghanbass/GH-QuantumDeveloperTheme>

Visual Studio Code theme based on the Firefox Developer Edition inspector colors. Continue to work on this project in my spare time. This project is open-source and available on Github. ([JSON](#), [Visual Studio Code](#), [Github](#), [Azure DevOps](#))

### **JobLister** | <https://github.com/meaghanbass/CP-JobLister>

Job board built with PHP and MySQL. Able to view jobs by category, add new listings, and update existing listings. ([PHP](#), [Bootstrap 4](#), [MySQL](#), [Github](#))

### **Global Web Properties** | [www.globalwebproperties.com](http://www.globalwebproperties.com)

Designed and built new site for web services company consisting of landing and contact pages. Built with Bootstrap and integrated with MailChimp. ([Bootstrap 4](#), [Sass](#), [JS](#), [PHP](#), [Github](#))

### **Shirt Wholesaler, Inc.** | [www.shirtwholesaler.com](http://www.shirtwholesaler.com)

Led project to redesign e-commerce website from an outdated early 2000s site to one that is modern and user-friendly. Integrated APIs to show real-time stock data and integrated payment processing with Authorize.net. Designed promotional images for website using Photoshop and Illustrator. ([HTML5](#), [CSS3](#), [JS](#), [PHP](#), [AWS](#))

## EXPERIENCE

---

### **Operations Manager – James Perse Enterprises**

August 2018 – Present

- Manage retail operations for U.S. sector of international luxury apparel and lifestyle brand.
- Ensure proper execution of all inventory shipments, audits, charge-sends, and other retail, inventory and finance related directives.
